

WELCOME TO OLIVE DINING

Welcome to Olive Dining.

We're delighted to be the catering partner for your school and are passionate about making every mealtime something children can look forward to.

At Olive Dining, children are at the heart of everything we do. We believe school food should be delicious, nutritious and exciting, while giving children the opportunity to discover new flavours, enjoy familiar favourites and develop a positive relationship with food.

Our meals are freshly prepared on site by our dedicated catering teams, using high-quality ingredients and seasonal produce wherever possible. From farm to fork, we care about where our food comes from - choosing responsible suppliers, supporting British and local produce and making thoughtful choices that are better for our children and our planet.

Our exciting three-weekly menus offer plenty of variety, with delicious hot dishes inspired by different flavours, alongside a fresh deli selection of salads, sandwiches and baguettes.

There's something for everyone, with menus designed to keep children well nourished, energised and ready for the rest of their school day.

We also love making food fun! Throughout the academic year, our theme days and special events bring menus to life, encouraging children to try something different and enjoy new food experiences with their friends.

Behind every meal is a passionate, skilled catering team who take pride in preparing and serving food that children love. We're proud to be part of the school community and to play our part in helping children eat well, explore food and enjoy every mealtime. For more information about Olive Dining, our food and our latest initiatives, please visit our website and social channels.
